NATURAL STONE & QUARTZ CATALOGUE

Catalogue pierre naturelle et quartz

MONTLOGIS is a direct importer and distributor sourcing premium stone from factories and quarries abroad. With years of industry experience, every slab is hand-selected to ensure the highest quality for residential and commercial projects. MONTLOGIS offers a curated inventory of granite, quartzite, marble and engineered quartz in a wide range of colors — durable, hygienic surfaces designed to meet both natural and contemporary design needs.

MONTLOGIS est un importateur et distributeur direct de pierre premium provenant d'usines et de carrières à l'étranger. Fort de nombreuses années d'expérience, chaque dalle est sélectionnée à la main pour garantir la plus haute qualité, pour les projets résidentiels comme commerciaux. MONTLOGIS propose un inventaire soigné de granit, quartzite, marbre et quartz manufacturé dans un large éventail de teintes — des surfaces durables et hygiéniques, pensées pour un design aussi bien naturel que contemporain.

Bookmatched slab pairs available on request for all natural stone colors — mirrored veining for dramatic, seamless installations.

Paires de dalles « bookmatch » disponibles sur demande pour toutes les pierres naturelles — veinage en miroir pour des installations spectaculaires et sans coupure visible.
